

Marean Lake Advisory Board Candidate

Marlin Johnson

Yorkton, Sask

Marlin has worked for the Federal Government with the Canadian Food Inspection Agency for the past 25 years. He has numerous experiences working with different government branches and dealing with government policy. Marlin has been president and part of many boards in the past years and serves as president of the current Marean Lake Cabin Association. Marlin has been part of Marean Lake since the early 80s and plans on continuing being part of the lake for many more years.

Marlin believes in openness, transparency and doing what is best for the majority at the lake.
