

Let me tell you a little about myself:

I'm a Director with Rimex Supply in Saskatoon and look after a large territory in Canada and South America dealing with large product such as mining, agriculture and construction wheels. I've been with Rimex for 33 years and my heart and soul go into my job, just like anything I take on and do.

I'm married to Michelle Morrison (born and raised in Melfort) and have two daughters and one granddaughter.

Marean Lake has been our retreat from the city for approximately 13 years. Our cabin is on the Woulfe side and although it is seasonal, we are there almost all weekends throughout the summer, several weeklong holidays and we do use it often in the winter.

We love lake life and spend our time fishing, spearfishing, scuba diving, paddleboarding, kayaking, biking, hiking, snowmobiling and just enjoying all that the lake has to offer.

I have been a member of the Marean Lake Cottage Association (committee from the Woulfe side), most recently as president, and have also served 2 years as vice president and one year as treasurer. My years spent on the association have given me a lot of knowledge that will be of great benefit to this committee.

I have volunteered on the board for my daughter's condo association and coached my other daughter in hockey for 10 years and I was a past board member for the Comets Hockey Association, midget division.

My priorities on the Board will be to:

- Maintain fair representation on the board for all sides of the lake
- Develop a fair and workable docking policy, adding more space for more boats (also a member of dock committee)
- Bring potable water to the lake
- Work towards a positive relationship with the RM making sure our concerns and needs are heard
- Help to ensure the safety of all lake residents.

I vow to listen and work for the people of Marean Lake to make it a friendly community of like-minded people.

If you have any questions, please feel free to call or email me. I'd be happy to meet you and have a discussion.

Thank you.

## **John Woulfe Jr.**

I have been living at the lake since 1989. I have work for the Provincial Government for just over 30 years, started my career as a Forest Protection Worker, fighting forest fires and then moved into Provincial Parks as a maintenance worker and from there to Maintenance Supervisor.

The Mearan Lake Advisory Committee has done some great things for our community and I look forward to helping them continue doing more.

My cell number is 1 (306) 813-8595
